international portfolio  
review forum

## where creative minds meet

Preview forums and mini-fairs bring together students who aspire to study visual art, design, architecture and related arts with experienced representatives and faculty from top art and design colleges and universities in the world. Meet with admission experts and faculty. Attend audiovisual presentations from your favorite institutions and learn first-hand about their application and scholarship procedures. Make personal connections with decision makers and get in-depth personal feedback on how to improve and edit your portfolio.

Bring a selection of your best and most recent work. Bring as much of your original work as possible.

Preview forums and mini-fairs are endorsed by the National Portfolio Day Association (NPDA) and are free and open to the public.
